The posts of Excise Sub-Inspectors in the Station are ~~is~~ borne on the Madras Cadre and we cannot localise them ~~with~~ without consulting the Govt. of Madras. This question will be examined in detail and a note submitted. In the meantime we may ask the Board of Revenue (Excise), Madras, ~~by~~ by telegram, to defer posting of a substitute in Mr.Eling's place.

The Collector's present proposals are:-

(i) to appoint Mr.Adiseshan, Head Clerk of the Excise Office, as a Sub Inspector instead of obtaining a substitute from Madras in Mr.Eling's place.

(ii) to give Mr.Adiseshan a duty allowance of Rs.10/- per mensem in addition to his pay of Rs.57/- in the grade of Rs.35-2-65.

He also suggests that the question of localising the posts - there are three of them - of Sub Inspectors of Excise in the C & M. Station may be taken up later.

10

We have already informed the Govt. of Madras that no substitute need be sent in Mr.Eling's place and they have agreed to hold the posting of a substitute in abeyance.

S.N.12/c.p.14
PUC

11

The proposal to appoint Mr.Adiseshan is in effect localising one of the posts of Sub Inspectors unless it is specifically stated that it is only a temporary arrangement pending a decision on the general question of localisation which the Collector says may be taken up later

12

Until the question of Retrocession is decided, it does not seem desirable to localise the posts. It would only mean increasing the number of Govt. servants to be transferred to Mysore service in the event of Retrocession.

The

13 The Collector may therefore be asked to say whether the Govt. of Madras may be addressed to post a substitute in place of Mr.Eling.

14 If however it is held that the question of localisation may be considered now, the Collector may be asked to put up formal proposals. Pending a decision on these proposals action may be taken as follows:-

(1) The Madras Govt. may be told that we are considering the question of localising the posts and that pending a decision on that question which will be communicated to them in due course, they need not send a substitute in the place of Mr.Eling. (Substitutes from Madras for the other two posts will be required in case a vacancy occurs.)

(2) The place of Mr.Eling may be filled by posting Mr.Adiseshan as Sub-Inspector ~~and granting him~~ in which case he may be allowed to draw a duty allowance of Rs.10/- per mensem for so long as he holds that post.

Govt

15

It is desirable to decide first whether these posts should be filled by local recruitment. The question may be considered keeping the following points in view, viz.-

(i) Retrocession. In the event of Retrocession the number of Government servants to be transferred would be correspondingly increased, if local recruitment were decided on. The Mysore Government have been informed of the number of posts that will be transferred.

(ii) Madras Government. Under present arrangements the Government of Madras presumably have three men surplus to their requirements who are posted in the Station. If we decide in filling the posts locally we shall put that Government to unnecessary expense and inconvenience while they are absorbing the extras, especially so when under their present policy of prohibition they have to provide for their excise staff not required.

(iii) Fitness of local recruits. There is not much inducement in a small administration like that of the Civil and Military Station for local persons to fit themselves for such posts, and those qualified will lack the experience we get from men imported from Madras.

(iv) Lastly it is undesirable to keep such Sub-Inspectors in any one Station over long periods, if appointments were filled locally, men would remain in the same posts for years. At present these appointments are filled for short periods and we get men well equipped for the posts.

16

In all the circumstances therefore we might suggest that

17

that the question may lie over for the present.

17 If however Collector wishes to press his suggestion we may ask him to let us have concrete proposals and the grade of pay he recommends. (Crown Representative's sanction will have to be sought).

To
The Collector,
Civil and Military Station, Bangalore,

U.O.No.7686, dated the 4th August 1939.

18 I am not prepared to recommend the permanent localisation even of the one post at present. Besides the fact that it will give encouragement to suitable ~~local~~ members of the local clerical staff and be an inducement to them to qualify themselves, there will be definite advantages in having at least one Sub Inspector who is not subject to sudden transfer and who will have local knowledge over a long period. Madras seems to be finding a use for their surplus Excise officers now and, if their present policy continues, the department is doomed at no distant date to dis-appear altogether. In any case they are unlikely to send us their best officers. With retrocession deputation from Madras will stop altogether. Hence it does no seem advisable that we should remain too dependent on Madras.

19 It was to secure some the advantages mentioned and to avoid certain disadvantages, some of which have been mentioned in the Residency Office notes, that I

proposed the arrangement which I did. The ~~man~~ man recommended is well qualified, having passed in the first rank in the Madras (MYSORE) Excise examination: but of course it remains to be seen whether he will be a success as a Sub Inspector. If Madras raises no objection, I see no reason why a man should not be deputed from the clerical staff here instead of from the Madras Excise Department. Incidentally the arrangement will save us money.

However, if the proposal involves too many complications, I do not wish to press the matter.

H.H. Garbett
7.8.38

I think we must either
(a) Convince the Madras man.
(b) Localize the post as an experiment making the first incumbent S.I. of Excise on probation of a year if necessary, & on the basis of a typical S.I. of excise if possible

Rangaswami
8/8/38

22

We are now getting on loan from the Madras Government three of their Sub-Inspectors of Excise for service in the Civil and Military Station for a specified period. Mr. Eling one of the Sub Inspectors so lent has been transferred and we have already told the Madras Government that no substitute need be sent in his place pending a decision on the question of localising the post.

(* Board M (Rlt.) Dr. 11/c/13 (J) (K))

23

The Collector's proposals seem to be as follows:-

(1) That the Madras Government be told that in future instead of sending three Sub-Inspectors they need send only two.

(2) That the post of one Sub-Inspector thus rendered vacant be filled from among the qualified members of the local clerical staff in rotation for a fixed period in the case of each incumbent, in the same manner as the post of Revenue Inspector is filled now, the incumbent for the time being given his grade pay plus an allowance of Rs.10/- and

(3) That Mr. Adisèshan the present Head Clerk of the Excise Office be the first temporary incumbent of the post.

Item (1) above.

The proposal is in effect the permanent localisation of one post although it is not intended to make any person permanent in that post. The Government of Madras have already agreed to hold in abeyance the posting of a substitute to Mr. Eling. They may now be asked whether they have any objection to one of the posts being filled locally.

Item (2) above.

There seems to be no objection to the proposal provided the Government of Madras agree to item(1) above. If the proposal to pay the incumbent his grade pay plus an allowance is accepted there is no necessity to consider the question of making the pay of the post fit in with the scale of pay of a Mysore Sub-Inspector of Excise. (There is no such post as Sub Inspector of Excise in the Mysore State. The posts and scales of pay are:- Inspectors - Rs.125,100,80,70, 60
Asst. -do- Rs. 40, 35, 30.)
The tenure of each incumbent of the post has to be fixed. This is a matter of detail which may be left to the Collector to decide.

Item (3) above.

This may be agreed to provided he is placed on probation for a period of one year to be counted against

against the tenure to be fixed for the post by the Collector.

25 By the localisation of one post of Sub-Inspector of Excise the number of clerical posts will be increased by one. It should be made clear to the Collector that the additional post will be on a temporary basis and should not be regarded as an addition to the number of permanent posts though one individual may hold it continuously. This will eliminate the increase in the number of permanent posts to be transferred to Mysor Government in the event of Retrocession.

Where does not much matter.

26 Draft to the Government of Madras is submitted.

27 After issue the Collector may be asked to send revised proposition statements for submission to the Crown Representative for sanction.

29 Discussed with Collector.

30 It is not the Collector's intention that the third

(12

third post of Excise Sub-Inspector should be filled in by a clerk of the Excise office in rotation for a fixed period. His idea is that as we have now a qualified man here, we can depute him as Sub-Inspector instead of borrowing from Madras and try the experiment of localisation, if Madras has no objection. As the post is not to be regularly exchangeable with a clerk's post it does not appear necessary to fix the pay of the post as pay of clerk plus special pay of Rs.10/-. The clerk proposed for promotion being an old entrant may be appointed to officiate as a Sub-Inspector on a pay of Rs.70/- the lowest pay sanctioned for a Sub-Inspector's post in Bangalore for an old entrant plus a cycle allowance of Rs.3/- per mensem. Sub-Inspectors deputed from Madras get also a special duty allowance of Rs.15/-. The local man will not be eligible for this.

31

The Collector is agreeable to the appointment being made in an officiating capacity for the present and to the fixation of pay as proposed. As no new post is being created (we are only filling an existing sanctioned post locally) and the proposal does not result in extra cost the sanction of the Crown Representative does not appear necessary.

SIR,

Establishment - Sub Inspector of Excise - appointment in place of Eling (Mr. A. C.) - orders requested.

S.N.7 / C.P.8 / (J)

Sub Inspector of Excise Mr. A. C. Eling, whose period of deputation was extended in Proceedings No. D.560-Abk.39 dated the 9th March 1939 of the Board of Revenue(Excise), Madras has been appointed as Assistant Commercial Tax Officer, Madras and been directed to join his new post on the 20th July 1939. I suggest that the Assistant Secretary to the Board of Revenue(Excise), Madras may kindly be informed that a substitute need not be sent in place of Mr. Eling.

I suggest that Mr. K. A. Adiseshan, Head Clerk of the Excise Office may be deputed as Sub Inspector of Excise, continuing in his present grade of pay and being given a duty allowance of Rs. 10/- per mensem while working as Sub Inspector. This is the ~~xxxxx~~ allowance given to the local Revenue Inspector, who is similarly deputed. He has passed the Mysore Excise Examination and is qualified for a Sub Inspector's post. His work is satisfactory. The present pay of Mr. Eling is Rs. 85/- and that of Mr. Adiseshan is Rs. 57/- in the scale of Rs. 35-2-65. The above proposal

proposal will result in an initial saving of about Rs. 143/- during the current year and a recurring saving in future years.

The question of recruiting Excise Sub Inspectors locally and fixing grades for them may perhaps be taken up later on

Mr. Eling has been relieved on the 17th July 1939. I request that orders may kindly be passed at a very early date.

I have the honour to be,

Sir,

Your most obedient servant.

Dated Bangalore, the 18th August 1939.

Loan of services of Sub-Inspectors of Excise to Civil and Military Station, Bangalore.

SIR,

not for W.P. I am directed to refer to Madras G.O.No.105-Mis., Finance Department (Separate Revenue), dated the 17th March 1923. Under the arrangements sanctioned in that order three Sub-Inspectors of Excise are lent by the Government of Madras for service in the Civil and Military Station of Bangalore.

The Resident desires, if the Madras Government have no objection, to appoint a local officer on probation in place of Mr. A.C.Eling who was transferred last month as Assistant Commercial Tax Officer, Madras. For the present therefore only two Sub Inspectors of Excise will be required from Madras. The Board of Revenue have already agreed to keep in abeyance the posting of a substitute to Mr. Eling.

cp. 14 (J)

I am to enquire whether the Government of Madras agree that for the present no substitute should be sent. The Resident hopes that this proposal will not occasion any inconvenience.

I have the honour to be,
Sir,
Your most obedient servant,

o/c

SECRETARY TO THE RESIDENT.
